Adopt section 18660.26, California Code of Regulations, title 14.

ARTICLE 1: General

Section 18660.5. Definitions.

(a) For the purposes of this Chapter, the following shall apply:

- (1) "Act" or "the Act" means the Electronic Waste Recycling Act of 2003 (Senate Bill 20, Chapter 526, Statutes of 2003), as amended.
- (2) "Approved Collector" means an authorized collector as defined in Section 42463(b) of the Public Resources Code who applies to CalRecycle for approval and whose application is approved pursuant to this Chapter and therefore may be eligible for recovery payments from approved recyclers.
- (3) "Approved Dual Entity" means an entity that is both an "approved collector" and an "approved recycler" as defined in this Section.
- (4) "Approved Recycler" means a "covered electronic waste recycler" as defined in Section 42463(j) of the Public Resources Code who applies to CalRecycle for approval and whose application is approved pursuant to this Chapter and therefore may be eligible for recycling payments from CalRecycle.
- (5) "Authorized Signatory" or "Signatory Authority" means the person(s) who has authority to legally bind a person, collector, recycler, dual entity, local government, or manufacturer to a contract.
- (6) "Bare CRT" means a Cathode Ray Tube with the vacuum relieved and the yoke removed that has been separated from the device housing and has had all circuit boards, wiring and other components detached from the tube.
- (7) "Bare Panel" means an LCD, plasma, or other non-CRT video display panel that has been separated from the device housing and has had all circuit boards, lamps, wiring and other components detached from the panel. Lamps may remain affixed to an otherwise bare panel only if they cannot be removed without breaking.
- (8) "Cancellation" means a processing or treatment method that qualifies CEWs for recycling payments, removes the CEWs from the payment system eliminating the possibility of double payments, dismantles or destroys the original CEW, and results in treatment residuals as specified in Section 18660.32 of this Chapter.
- (9) "Claim Activity Period" means the span of time during which an approved recycler received CEWs from approved collectors, processed and cancelled CEWs, and shipped

treatment residuals, as required, that results in a recycling payment claim being submitted to CalRecycle.

(10) "CRT" means a Cathode Ray Tube with the yoke still attached that has been separated from a CRT device.

(11) "CRT device" means a whole covered electronic device containing a Cathode Ray Tube.

(12) "California Source" means persons, as defined in Section 42463(r) of the Public Resources Code, ~~located in California~~ who generate CEWs after their own use of a ~~CED~~ Covered Electronic Device (CED) within the State of California. Persons who receive, accumulate, consolidate, store, or otherwise handle discarded, donated or collected CEWs are not the California sources of those CEWs. For purposes of this chapter, "use" or "using" means operating the CED in a manner consistent with ownership, including business or personal ownership, or the leasing of the CED so long as those lessees operate the CED within the State of California.

(13) "CalRecycle" means the Department of Resources Recycling and Recovery.

(14) "Collection log" means a record maintained by an approved collector that records CEW collection activities as specified in Section 18660.20(j) of this Chapter.

(15) "Collective Report" means a report submitted to CalRecycle through a trade association, a group of associations, or other organization that represents more than one manufacturer.

(16) "Commingled" means mixed together and impossible to economically or practically separate.

(17) "Commonly used household tools" or "common household tools" means tools that are readily available and routinely used by the majority of households to remove batteries from a product, such as slotted and crosshead screwdrivers, paper clips, coins, or hex keys. "Commonly used household tools" or "common household tools" do not include hammers, mallets, scissors, pliers, knives, ratchets, saws, chisels, screw-drivers with active U.S. patents, tools that require the use of batteries, electricity, or fuel to power, or tools that require the application of heat, solvents, or significant force to separate a battery from a product.

~~(17)~~ (18) "Covered Electronic Device" or "CED" has the same meaning, for the purposes of this Chapter, as a covered electronic device specified in Section 42463(g)(1)(A)-(B) of the Public Resources Code.

~~(18)~~ (19) "Covered Electronic Waste" or "CEW" means a discarded device ~~that DTSC has determined to be a covered electronic device, as specified by~~ as defined in Section 42463(g)(1)(A)-(B) of the Public Resources Code.

~~(19)~~ (20) "Designated Approved Collector" means an approved collector, as defined in subsection (a)(2) of this section, that has been designated by a California Local Government to provide CEW collection services for or on behalf of the Local Government in accordance with Article 7 of this Chapter.

(21)

"Designed to be easily removed from a product by the user of the product, with no more than commonly used household tools" means that the product is manufactured so that batteries contained within can be simply and readily removed by a consumer using the

product using only commonly used household tools. For example, a battery that is purposefully built into, glued, or otherwise secured within the product by the manufacturer in a manner that requires specialized or proprietary tools or a trained technician to remove is not considered to meet this definition. Conversely, a battery that is marketed to or commonly understood by the general public to be removed from a product by the consumer using commonly used household tools is considered to meet this definition. A battery contained in a product that has a warranty or instructions acknowledging or permitting consumer battery removal using commonly used household tools is also considered to meet this definition.

~~(2022)~~ “DTSC” means the Department of Toxic Substances Control.

~~(2423)~~ “Further treat” means, for the purposes of this Chapter, activities such as crushing, size reduction, washing, cleaning, smelting, or similar steps taken to process the treatment residual and alter its physical form or characteristics. “Further treat” does not mean, for the purposes of this Chapter, receiving, storing, accumulating, consolidating, brokering, shipping, disposing or other similar activities that do not alter the physical form or characteristics of the treatment residual.

~~(2224)~~ “Handler”, for the purposes of this Chapter, has the same meaning as a universal waste handler or CRT material handler, as applicable, as defined in Section 66273.9 of Title 22 of the California Code of Regulations.

~~(2325)~~ “Illegal Disposal” means, for the purposes of this Chapter, the disposal or placement of CEWs on a property without the permission of the owner(s) of, or responsible party(ies) for, the property.

~~(2426)~~ “Initial Destination” means, for the purposes of this Chapter, the location(s) to which treatment residuals are initially shipped by an approved recycler.

~~(2527)~~ “Load” means a single transfer (a pick up or delivery) of CEWs, such as from a California source to a collector or from a collector to a recycler.

~~(2628)~~ “Load Check Activities” means, for the purposes of this Chapter, the efforts made to identify, retrieve and divert from the disposed solid waste stream those CEWs that have been illegally discarded by generators. “Load Check Activities” do not include the rejection or acceptance of CEWs due to the lack of source documentation.

~~(2729)~~ “Manufacturer Payment” or “Manufacturer Take Back Payment” means a payment made by CalRecycle to a registered manufacturer that takes back covered electronic wastes (CEWs) from a California source for the purposes of recycling the CEW pursuant to Section 42476(h) of the Public Resources Code.

~~(2830)~~ “Manufacturer Payment Claim” means a registered manufacturer's request submitted to CalRecycle with all required documentation for a manufacturer payment.

~~(2931)~~ “Manufacturer Take Back” means a program administered by a registered manufacturer that accepts CEWs from California sources for the purposes of recycling.

(32) “New applicant” means an applicant that is not currently approved to participate in the Covered Electronic Waste Recycling Program and is applying for approval.

~~(3033)~~ “PBBs” mean Polybrominated Biphenyls.

~~(3434)~~ “Processing log” means a record maintained by an approved recycler that records CEW activities associated with CEW cancellation, such as but not limited to weighing and dismantling, as specified in Section 18660.21(b) of this Chapter.

(3235) “Product Category” means the types of covered electronic devices as defined in Section 42463(g)(1)(A)-(B) of the Public Resources Code. These categories include, but are not limited to, the following:

(A) Cathode Ray Tubes (CRTs) devices used in televisions,

(B) CRTs devices used in monitors,

(C) Liquid Crystal Display (LCD) monitors,

(D) Laptop computers containing LCD screens,

(E) LCD televisions,

(F) Plasma display televisions, and

(G) Other video display devices as specified by the DTSC pursuant to Section 25214.10.1(b) of the Health and Safety Code.

(H) Covered battery-embedded products pursuant to Section 42463(f)(1) and (2) of the Public Resources Code.

(3336) “Proof of Approval” means the status of an approved collector or approved recycler, as portrayed on the CalRecycle website. The Proof of Approval is associated with a unique identification number issued by CalRecycle to identify a collector, or recycler, or dual entity as being who has been approved to participate in the Covered Electronic Waste Recycling Program pursuant to the Act and this Chapter.

(3437) “Proof of Designation” means a document issued by a California Local Government to a Designated Approved Collector in accordance with Article 7 of this Chapter.

(3538) “Receiving log” means a record maintained by an approved recycler that documents CEW transfers from approved collectors to the approved recycler.

(3639) “Recovery payment” means the payment made by an approved recycler to an approved collector in exchange for the transfer of CEWs pursuant to Section 42477 of the Public Resources Code.

(3740) “Recovery payment request” means an approved collector's request for recovery payment made to an approved recycler accompanying the transfer of CEWs.

(3841) “Recycling payment” means the payment made by CalRecycle to an approved recycler that includes a recovery component related to recycler payments to collectors pursuant to Section 42477 of the Public Resources Code and a recycling component for CEW cancellation pursuant to Section 42478 of the Public Resources Code.

(3942) “Recycling payment claim” means an approved recycler's claim that includes all required documentation submitted to CalRecycle for recycling payments for cancelled CEWs.

(4043) “Registered Manufacturer” means a manufacturer as defined in Section 42463(q) of the Public Resources Code who registers with CalRecycle pursuant to this Chapter and therefore may be eligible for manufacturer payments from CalRecycle.

(44) “Renewal applicant” means an applicant who is approved to participate in the Covered Electronic Waste Recycling Program and is applying to renew its approval status to continue participating in the Covered Electronic Waste Recycling Program.

(4445) “Signature” or “signed” means either of the following:

(A) An original handwritten signature; or

(B) An electronic signature. An electronic signature includes an electronic sound, symbol, or process attached to or logically associated with an electronic record, executed or adopted by a party with the intent to represent an original handwritten signature.

(1) For claims submitted through CalRecycle's designated electronic information submittal system available from CalRecycle's website, a username and password shall be considered an electronic signature.

(2) An electronic signature may not be denied legal effect, validity, or enforceability solely on the ground that it is electronic.

(3) An electronic signature shall be binding on all persons and for all purposes under the law, as if the signature had been handwritten on an equivalent paper document.

(4246) "Source-anonymous CEWs" means CEWs whose originating California source cannot be identified in collection log information required pursuant to Section 18660.20(j)(1)(B) of this Chapter.

(4347) "Source documentation" means collection logs and other information developed, maintained and transferred pursuant to Section 18660.20(h) of this Chapter that demonstrates the eligibility, originating generator or intermediate handlers of collected CEWs as applicable.

(4448) "Standard Statewide Recovery Payment Rate" means the amount paid to an approved collector per pound of CEWs transferred to an approved recycler to cover the cost of collection, consolidation and transportation of CEWs as established pursuant to Section 42477 of the Public Resources Code.

(4549) "Standard Statewide Combined Recycling and Recovery Payment Rates" means the amount paid to an approved recycler per pound of CEWs cancelled and claimed to cover the cost of receiving, processing and recycling CEWs as established pursuant to Section 42478 of the Public Resources Code, and making recovery payments to approved collectors.

(4650) "Transfer" or "Transferred" means physically changing possession of CEWs, such as a transfer from a California source to a collector or from a collector to a recycler.

(4751) "Transfer documentation" means, for the purposes of this Chapter, records or receipts that record the transfer of CEWs from an approved collector to an approved recycler, which include the weight, number, and source of the transferred CEWs, and the date(s) of transfer.

(4852) "Treatment Residuals" means any material resulting from the dismantling or treatment of a CEW. Treatment residuals are not considered CEWs and are not eligible for recovery or recycling payment, however the costs or revenues associated with managing treatment residuals shall be factored into the net cost of recycling CEW. Treatment residuals may be used to demonstrate the processing of CEWs, and documentation demonstrating the subsequent movement or ultimate disposition of the treatment residuals may be required as part of the claim for payment submitted by an approved recycler.

(4953) "Ultimate disposition" means, for the purposes of this Chapter, the consumption of a treatment residual into a manufacturing process or the disposal of a treatment residual at a permitted disposal facility. Storage of a treatment residual at a site of generation or

at an intermediate facility, or accumulation of a treatment residual at a location prior to consuming or disposing, is not ultimate disposition.

(54) "Weighmaster" has the same meaning as defined in Section 12700 of the Business and Professions Code.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.
Reference: Sections 42463, 42465.2, 42466.2, 42467, 42474, 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code; and Section 12700, Business and Professions Code.

ARTICLE 2.0: Electronic Waste Payment System — ~~Applicability and Limitations,~~ Document Submittals, Records, Audits and Net Cost Report

Section 18660.6. ~~Applicability and~~ Limitations.

(a) Limitations on the types of CEWs eligible for payments:

(1) An approved collector may request recovery payments only for the types of CEWs specified by DTSC, or as specified in this Chapter and authorized by the Act that ~~are~~ were used in California by a California Source and were transferred to an approved recycler by the collector.

(2) An approved recycler may claim recycling payment only for the types of CEWs specified by DTSC, or as specified in this Chapter and authorized by the Act that ~~are~~ were used in California by a California Source and were received from an approved collector and are cancelled by the recycler.

(3) An Approved Dual Entity may claim recovery and recycling payments only for the types of CEW specified by DTSC, or as specified in this Chapter and authorized by the Act that were used in California by a California Source and were recovered and cancelled by the Approved Dual Entity.

~~(34)~~ A registered manufacturer may claim manufacturer payment only for the types of CEWs specified by DTSC, or as specified in this Chapter and authorized by the Act that were used in California by a California Source and that the manufacturer takes back for recycling.

(b) Limitations on the timeframes eligible for payments:

(1) An approved collector, an approved recycler, or a registered manufacturer shall not receive payment for any CEWs transferred from a California source before January 1, 2005.

(2) An approved collector shall not request recovery payments from recyclers for transfers that occur prior to the approval of the collector's application by CalRecycle.

(3) An approved recycler shall not claim recycling payments from CalRecycle for CEWs cancelled prior to the approval of the recycler's application by CalRecycle.

(4) A registered manufacturer shall not claim manufacturer payments from CalRecycle for recycling that occurs prior to the manufacturer's registration with CalRecycle.

(c) Limitations on the Sources of CEWs and CEWs eligible for payments:

(1) Only CEWs resulting from a California source are eligible for recovery, recycling, or manufacturer payments.

(2) CEWs owned by a person in California, but used entirely outside of California are not eligible for payments.

(3) Source-anonymous CEWs, documented pursuant to Section 18660.20(j)(1)(E) of this Chapter, are eligible for recovery and recycling payments if:

(A) The source-anonymous CEWs result from Load Check Activities as defined in Section 18660.5(a)(26) conducted at permitted solid waste facilities whose operator is an approved collector or, if not an approved collector, the source-anonymous CEWs are directly transferred from the permitted solid waste facility to an approved collector; or

(B) The source-anonymous CEWs result from illegal disposal clean-up activities conducted by a Local Government, as defined in Section 18660.47, or its Designated Approved Collector; or

(C) The source-anonymous CEWs result from illegal disposal on property owned or managed by an approved collector.

(4) CEWs that are transferred to a Designated Approved Collector are not eligible for payments unless the CEWs are accompanied by applicable source documentation pursuant to Section 18660.20(h) of this Chapter.

(d) Limitations on the ability of collectors and recyclers to charge a fee:

(1) If the recovery payment from a recycler does not fully cover the net cost of CEW recovery, and the collector establishes a cost-free opportunity for a California source to transfer CEWs to the collector, then an approved collector may charge a fee for CEW recovery.

(2) If the recovery payment from a recycler fully covers the net cost of CEW recovery, an approved collector shall provide CEW recovery at no charge to California sources or CalRecycle may revoke approval and direct recyclers to deny recovery payments to the collector.

(3) If the recycling payment from CalRecycle does not fully cover the net cost of CEW recycling, an approved recycler may charge a fee for CEW recycling.

(4) If the recycling payment from CalRecycle fully covers the net cost of CEW recycling, an approved recycler shall provide CEW recycling at no charge to approved collectors or CalRecycle may revoke approval and deny recycling payments to the recycler.

(e) Limitations on recovery payments:

(1) An approved recycler shall make recovery payments at the rate specified in Section 18660.33 of this Chapter to approved collectors for all CEWs transferred to the recycler and that are accompanied by applicable source documentation pursuant to Section 18660.20(h) of this Chapter.

(2) CalRecycle shall revoke a recycler's approval and deny recycling payments to a recycler that fails to make recovery payments to approved collectors as specified in this Chapter.

(3) An approved recycler shall not make the recovery payments as specified in this Chapter to collectors who are not approved pursuant to this Chapter.

(4) An approved recycler may make other types of payments, not provided for under this Chapter, to a collector regardless of the collector's approval status.

(5) An approved recycler shall not provide recovery payments to a collector other than the approved collector that transfers the CEWs to the recycler, but nothing limits the

collectors involved in prior transfers from negotiating payments among themselves unrelated to the recovery payment provisions of this Chapter.

(6) An approved collector or Approved Dual Entity is eligible for recovery payments only if the collector or Approved Dual Entity establishes convenient, a cost-free opportunitiesopportunity for a California sources to transferdiscard CEWs towith the approved collector.

(7) An approved collector is ~~entitled~~eligible for recovery payments only for CEWs transferred to the recycler that are accompanied by ~~applicable~~required source documentation pursuant to Section 18660.20(h) of this Chapter.

(8) The approved collector shall repay the approved recycler the amount of recovery payment that was paid if an approved collector has received recovery payment from an approved recycler for which the approved collector was not entitled.

(f) Limitations on recycling payments:

(1) CalRecycle shall make recycling payments only to approved recyclers who:

(A) Cancel CEWs using cancellation methods as specified in Section 18660.32 of this Chapter.

(B) Document cancellation and meet the other requirements of this Chapter.

(2) CalRecycle shall not make recycling payments to a recycler other than the approved recycler that cancels the CEWs, but nothing limits the recyclers involved in subsequent transfers from negotiating payments among themselves unrelated to the recycling payment provisions of this Chapter.

(3) CalRecycle shall not make recycling payments for reuse of either a whole CEW or of a partially disassembled CEW, such as a CRT with an attached yoke.

(g) Limitations in relation to current business practices:

(1) CalRecycle shall not limit the ability of approved collectors and approved recyclers to transfer or not transfer CEWs to or from any party.

(2) CalRecycle shall not limit the ability of approved collectors and approved recyclers from entering into contracts with each other or other parties.

(3) CalRecycle shall not limit the ability of collectors to recover CEWs or recyclers to recycle CEWs without participating in the system described in this Chapter.

(4) If collectors wish to receive recovery payments or recyclers wish to receive recycling payments, then they must meet the requirements in this Chapter.

(h) Limitations on the disposition of treatment residuals:

(1) Approved recyclers are not eligible for CEW recycling payments if treatment residuals are managed in a manner noncompliant or nonconforming with applicable law.

(2) Treatment residuals shall be managed for recycling to the extent economically feasible.

(A) Economic feasibility shall be determined by an approved recycler based on current market conditions for legal management options.

(B) CalRecycle may demand demonstration of economic infeasibility in accordance with Public Resources Code section 42479.

(3) Approved recyclers that ship treatment residual CRTs or CRT glass shall be capable of demonstrating to CalRecycle or its designee upon demand that the CRT or CRT glass has reached an ultimate disposition within one year of the initial shipment, unless the

approved recycler is exempt from such demonstration pursuant to Article 7 of Chapter 23 of Division 4.5 of Title 22 of the California Code of Regulations.

(4) If treatment residuals are disposed, an approved recycler shall ensure and be able to demonstrate that the disposal complies with all applicable laws and conforms to any conditions of authorization or approval under which the approved recycler managed the CEW from which the treatment residuals were derived.

(5) CalRecycle may require approved recyclers to produce documentation maintained pursuant to this Chapter to demonstrate compliance or conformance with all laws associated with treatment residual shipment, initial destination, or ultimate disposition.

(i) Limitations on the manufacturer payment system:

(1) CalRecycle shall not register any entity other than a manufacturer as defined in Section 42463(q) of the Public Resources Code to be a registered manufacturer.

(2) CalRecycle shall not make manufacturer payments to any entity other than a registered manufacturer.

(3) A registered manufacturer shall only claim payment for, and CalRecycle shall only make manufacturer payments for, CEWs received from California sources that are processed for recycling in a manner that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result.

(4) A registered manufacturer shall not claim payment for, and CalRecycle shall not make manufacturer payments for, CEWs that are reused, repaired, refurbished or otherwise returned to use.

(j) Limitations on recycling payments on exported CEWs:

(1) CalRecycle shall not approve recyclers located outside the State of California.

(2) CEWs sent to and cancelled by unapproved recyclers are not eligible for recycling payments pursuant to this Chapter regardless of the location of the unapproved recycler.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.
Reference: Sections 42472(b), 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code.

Section 18660.10. Net Cost Requirements~~Report~~.

~~(a) To adjust the Standard Statewide Recovery Payment Rate and the Standard Statewide Combined Recovery and Recycling Payment Rates, establish future payment schedules and adjust the consumer fees, CalRecycle shall periodically update information concerning the net costs of CEW recovery and CEW recycling. CalRecycle, or a person, as defined in Public Resources Code section 42463(r), that is authorized by CalRecycle, shall annually conduct net cost report surveys of approved collectors, recyclers, and dual entities to determine the average net costs associated with recovering and recycling CEW, and to adjust the Standard Statewide Recovery Payment Rate described in Section 18660.33 and the Standard Statewide Combined Recovery and Recycling Payment Rates described in Section 18660.34.~~

~~(b) An approved collector or an approved recycler shall maintain records and provide information for use by CalRecycle in the update on their actual net costs to operate. An approved collector, recycler, or dual entity shall provide CalRecycle, or its authorized~~

representative, with responses to written or verbal requests for information and requests for records to substantiate reported costs and revenues associated with collecting, consolidating, transporting, receiving, processing, and recycling CEW.

(1) Any requests pursuant to this Section by CalRecycle, or its authorized representative, shall be presented in writing at the time of any in-person site visit- or electronically delivered to the approved collector, recycler, or dual entity's email address on record. This request shall specify where the records can be presented for CalRecycle's or its authorized representative's inspection.

(2) The approved collector, recycler, or dual entity shall provide CalRecycle, or its authorized representative, with responses or records requested pursuant to this Section no later than ten (10) business days following the date of any written request. Failure to provide records or respond to requests for information pursuant to this Section constitutes grounds for disciplinary action pursuant to Section 18660.17.

(c) An approved collector, ~~or an approved recycler,~~ or dual entity shall provide CalRecycle, or its authorized representative, with accurate and complete information and documentation pertaining to ~~use~~ the following allowable revenues and costs; ~~for use in the calculation of net costs:~~

(1) Revenues in relation to CEW recovery or recycling, other than the payments required pursuant to this Chapter, including but not limited to:

(A) Up-front revenues received, such as from fees charged.

(B) Treatment residual revenues, such as from commodity values.

(2) Costs ~~for approved collectors and dual entities to collect, consolidate, and transport CEW, and for approved recyclers and dual entities to receive, process, and recycle CEW~~ include ~~in relation to CEW recovery or recycling including, but not limited to:~~

(A) Direct labor costs, such as wages.

(B) A pro rata share of overhead costs, including indirect labor costs, administration, facility permitting, accounting, and other activities not directly involved in recovering CEW.

(C) Property taxes.

(D) Depreciation of applicable assets.

(E) Utilities.

(F) Supplies.

(G) Fuel.

(H) Insurance such as, general liability insurance, property insurance, commercial auto insurance, workers' compensation insurance, business interruption insurance, commercial umbrella insurance.

(I) Business interest expenses, such as loan interest.

(J) Facilities purchase, mortgage, rent, or lease.

(K) Equipment purchase, rent, or lease.

(L) Equipment and facility maintenance and repair.

(M) Transportation costs such as, trucking, freight, rail, container handling charges, port fees, customs fees, and overseas containing shipping.

(N) Handling costs.

(O) Hazardous waste disposal.

- (P) Municipal solid waste disposal.
- (Q) Recycling costs for low-value material.
- (R) Marketing, promotion, and public education.

- ~~(A) The actual costs of receiving, handling, processing, storing, transferring and transporting CEWs.~~
- ~~(B) The actual costs of canceling CEWs.~~
- ~~(C) Labor.~~
- ~~(D) Property taxes.~~
- ~~(E) Depreciation.~~
- ~~(F) Utilities.~~
- ~~(G) Supplies.~~
- ~~(H) Fuel.~~
- ~~(I) Insurance.~~
- ~~(J) Interest.~~
- ~~(K) General overhead.~~
- ~~(L) Facilities and equipment rent or lease.~~
- ~~(M) Maintenance.~~
- ~~(N) Transportation.~~
- ~~(O) Handling costs.~~
- ~~(P) Disposition costs.~~
- ~~(Q) A reasonable rate of profit or return on investment.~~
- ~~(R) Marketing, promotion and public education.~~

(3) All information provided submitted pursuant to this Section shall be provided on a pro rata basis only so that this information reflects business revenues and costs that are related to managing CEW.

(4) An approved collector, recycler, or dual entity may voluntarily provide additional information not listed in subsection (c)(2).

~~(d) An approved collector or approved recycler shall submit to CalRecycle a report on the net costs of recovering CEW or separately recycling CRT CEW and non-CRT CEW for the prior calendar year. The report shall include:~~

- ~~(1) An annualized summary of the revenues, costs, and net cost (costs minus revenues) of CEW recovery or CEW recycling based on the records maintained pursuant to Sections 18660.20(j)(3) and 18660.21(l)(5) of this Chapter.~~
- ~~(2) Name, identification number and mailing address.~~
- ~~(3) The name and phone number of a contact person for purposes of the report.~~
- ~~(4) The reporting year and date of preparation of the report.~~
- ~~(5) The total annualized revenues excluding recovery and recycling payments received from CalRecycle, plus a list of the types of revenues included in the revenue calculation.~~
- ~~(6) The total annualized costs, plus a list of the types of costs included in the cost calculation.~~
- ~~(7) The total annualized net costs (annualized costs minus annualized revenues).~~
- ~~(8) The net cost per pound of CEW recovery and the net cost per pound of CEW recycling.~~

- ~~(9) Provide a description of the types of targeted consumers, and the methods of collection used to obtain CEWs from the California sources, including but not limited to:~~
- ~~(A) Drop-off at permanent location,~~
 - ~~(B) Temporary event drop-off,~~
 - ~~(C) Pick up at source,~~
 - ~~(D) Pick up at handler location,~~
 - ~~(E) Curbside collection,~~
 - ~~(F) Landfill drop-off or load check.~~
- ~~(10) The Signature and title of a person with Signatory Authority for net cost reports as designated pursuant to Section 18660.11 of this Chapter.~~
- ~~(11) The Signature block shall state and certify the following statement: "I hereby declare under penalty of perjury that this net cost report, including any and all figures, calculations and accompanying documents has been examined by me and is true, correct and complete."~~
- ~~(12) The date and place of the signing of the report.~~

ARTICLE 2.2: Electronic Waste Payment System — Business Requirements

Section 18660.21. Requirements for an Approved Recycler or Dual Entity.

(a) Upon CalRecycle approval of its application, an approved recycler or dual entity may begin claiming recycling payments for CEWs received from an approved collector and cancelled after the approval.

(b) An approved recycler or dual entity may begin claiming recovery and recycling payments, as applicable, for CEW received from an approved collector and cancelled after CalRecycle has approved the recycler or dual entity application and issued the appropriate Proof of Approval. An approved recycler or dual entity shall comply with the requirements of this Chapter, including:

(1) Begin CEW cancellation activities within 180 calendar days of approval. Approved dual entities may meet this requirement by both collecting and cancelling at least one load of CEW within 180 days of approval. CalRecycle may revoke approval if a recycler or dual entity fails to begin CEW cancellation within 180 days.

~~(2) Accept transfer of and cancel at least one (1) load of CEWs from an approved collector within 180 days of approval. Approved dual entities may also meet this requirement by both collecting and canceling at least one load of CEWs within 180 days of approval. CalRecycle may revoke approval if a recycler fails to cancel at least one load within 180 days of approval.~~

(32) Record each approved collector's proof of approval identification number and provide a receipt showing the weight and number of CEWs transferred and the amount of the corresponding recovery payment due to the collector.

(43) Make recovery payments to approved collectors, or their agents, for all CEWs transferred, in accordance with this Chapter, at the time of transfer of CEWs, or at a later time specified in a written contract between the approved collector and approved recycler or dual entity, but not more than 90 days from the date of transfer.

(54) Cancel CEWs by one or more of the ~~manner~~methods prescribed in Section 18660.32 of this Chapter.

(A) An approved recycler or dual entity shall maintain a processing log that records the date, method of cancellation, and quantity in pounds of CEWs cancelled.

(B) An approved recycler or dual entity shall maintain inventory records that document the relationship between CEWs received from approved collectors, CEWs processed and cancelled by the approved recycler or dual entity, and treatment residuals shipped to initial destinations or ultimate dispositions, as applicable.

(65) Submit recycling payment claims to CalRecycle as specified in Sections 18660.22 through 18660.31 of this Chapter.

(76) Submit to and obtain a DTSC inspection, within any 12-month period.

(c) Based on information supplied by approved collectors, an approved recycler or dual entity shall, at a minimum, keep track of the weight of CEWs from both California and non-California sources transferred from approved collectors and ensure that recycling payments are not claimed for non-California source materials.

(d) An approved recycler or dual entity shall not provide recovery payment to approved collectors for CEWs from non-California sources, or to approved collectors that fail to provide complete and applicable source documentation on CEW origin pursuant to Section 18660.20(h) of this Chapter.

(e) An approved recycler or dual entity shall not claim recycling payments for non-California CEWs.

- (f) Approved recyclers or dual entities shall determine if CEWs they accept from collectors have already been cancelled and shall keep track of the weight of those materials and ensure that recycling payments are not claimed for these materials.
- (g) An approved recycler or dual entity shall not provide recovery payment to approved collectors for previously cancelled material.
- (h) An approved recycler or dual entity shall not claim recycling payments for previously cancelled material.
- (i) An approved recycler may deny recovery payments for commingled loads in which CEWs cannot be distinguished from other materials or for loads that contain an indistinguishable mix of California source material and non-California source material.
- (j) An approved recycler or dual entity shall operate in accordance with all Federal, State and local laws and regulations.
- (k) An approved recycler or dual entity shall:
- ~~(1) Be equipped with scales and be a licensed weighmaster and follow the requirements in accordance with Chapter 7 (commencing with Section 12700) of Division 5 of the Business and Professions Code and all applicable laws and regulations when weighing CEW and treatment residuals derived from the cancellation of CEW.~~
 - ~~(2) Measure, record and report required weights pursuant to this Chapter in pounds, and document those weights on a weighmaster certificate issued by a licensed weighmaster in accordance with all applicable laws and regulations, and issue certified weights.~~
 - ~~(3) Weigh CEWs and treatment residuals on a scale or other device approved, tested and sealed in accordance with Division 5 (commencing with Section 12500) of the Business and Professions Code.~~
- (l) In addition to the general record keeping requirements in Section 18660.8 of this Chapter, an approved recycler or dual entity shall maintain the following records:
- (1) A receiving log containing a brief written description of CEW transfers by load from approved collectors, the total certified number of units and the total certified weight of CEWs transferred, and the dates the transfers from collectors occurred.
 - (2) Records of CEW transfers, including all documentation received from an approved collector as specified in Section 18660.20(h), and recovery payments made and owed to approved collectors, including signed and dated receipts showing the total certified number of units and the total certified weight of CEWs transferred.
- (A) The approved recycler or dual entity shall identify and record each approved collector using the name and identification number from the collector's "proof of approval."
- (B) The approved recycler or dual entity shall record separately the number of units and sum of estimated weights of source-anonymous CEWs reported by and transferred from an approved collector.
- (3) A processing log showing the definitive cancellation of CEWs by weight, date and cancellation method, as specified in Section 18660.32 of this Chapter, upon which a payment claim is based.
- (4) Applicable records for all shipments of treatment residuals, including but not limited to ~~weight~~weighmaster certificates, packing lists, bills of lading, manifests, destination receipts, invoices, and payments. Applicable records shall be maintained pursuant to Section 18660.8 of this Chapter and demonstrate the following information:

- (A) Date of shipment.
- (B) Quantity and material type in shipment.
- (C) The full name and address of shipping service.
- (D) The full name and address of the buyer or other transferee, and destination name and address if different.
- (E) Identification and description of the initial destinations or ultimate disposition of the treatment residuals, as applicable.
- (5) Records on the net costs associated with the management of all CRT CEW, non-CRT CEW, and battery-embedded product CEW handled, and any additional administrative costs of providing recovery payments to approved collectors.
- (6) Complete records of all claims, attachments and supporting documentation for all recycling payment claims made to CalRecycle.

ARTICLE 2.3: Electronic Waste Payment System — Recycling Payment Claims

Section 18660.22. General Requirements for Recycling Payment Claims.

- (a) An approved recycler or dual entity shall comply with the requirements of this Section.
- (b) Prior to submitting a recycling payment claim to CalRecycle for cancelled CEW, an approved recycler or dual entity shall:
 - (1) Ship the following treatment residuals derived from the cancelled and claimed CEW off-site to an initial destination authorized to receive and further treat or legally dispose of the treatment residual:
 - (A) Bare CRTs.
 - (B) CRT glass cullet.
 - 1. CRT glass, CRT funnel glass, and CRT panel glass, as defined in Section 66273.9 of Chapter 23 of Title 22 of the California Code of Regulations, shall be accounted for separately, as applicable.
 - 2. The shipped CRT glass cullet shall account for the amount derived from the cancelled and claimed CEW.
 - (2) For each claimed non-CRT-containing CEW, the recycler or dual entity shall record and report the manufacturer name, model number, and weight of each device prior to cancellation.
 - (A) If the non-CRT-containing CEW contain a plasma display, records relating to quantity of the bare panel(s) and ultimate disposition shall be maintained pursuant to Section 18660.8 of this Chapter.
 - (B) If the non-CRT-containing CEW contain cold cathode fluorescent lamps, records relating to quantity of the lamps and ultimate disposition shall be maintained pursuant to Section 18660.8 of this Chapter.
 - (C) Records maintained pursuant to (A) and (B) above shall be made available upon request by CalRecycle or its designee.

(3) Only those CEW that have been processed and documented pursuant to the applicable requirements of subsections (c)(1) and (c)(2) of this Section shall be claimed for payment.

(a) An approved recycler or dual entity shall submit all of the following general information in a recycling payment claim ~~for recycling payments from CalRecycle:~~

(1) The full name, mailing address, and federal tax identification number of the recycler preparing the report claim.

(2) The name and phone number of ~~a contact person for purposes of the report~~ the person who prepared the claim.

(3) The reporting month (calendar month and year) and date of preparation of the report claim.

(4) The claim activity period, listing the start and end dates.

(5) The total weight of CEW claimed, as calculated in Sections 18660.24 and 18660.25 of this Chapter.

(6) The total monetary amount being claimed.

(7) The Signature and title of an Authorized Signatory for payment claims as designated pursuant to Section 18660.11 of this Chapter. The signature block shall include the following certification statements:

(A) "I hereby declare under penalty of perjury that:"

1. "The approved recycler whom I represent is currently in compliance with all Federal, State and local requirements, including compliance with the requirements of the Act and this Chapter."

2. "All claimed CEWs have been cancelled as specified in Section 18660.32 and are unable to re-enter the payment system, and all treatment residuals specified in Section 18660.22~~(e)~~(1) derived from the claimed CEWs have been shipped off-site to an initial destination authorized to receive and further treat or legally dispose of those treatment residuals."

3. "I have certified the weights and verified the calculations, including the adjustments for CEWs from non-California sources and for prior cancellation."

4. "This payment claim, including any and all accompanying documents has been examined by me and is true and correct."

5. "I understand that errors or omissions on my part may result in CalRecycle delaying or denying payment"

6. "I further understand that fraud could result in revocation of the recycler's approval."

(8) The date and place of the signing of the claim.

(b) For each cancellation method used, an approved recycler shall submit no more than one recycling payment claim per calendar month and may only include one reporting month, as specified by Sections 18660.24, ~~and~~ 18660.25, and 18660.26 of this Chapter, in a single recycling payment claim. An approved recycler or dual entity shall prepare payment claims for different cancellation methods separately, but may submit a package containing all the claims for a reporting month.

~~(c) Prior to submitting a payment claim for cancelled CEWs, an approved recycler shall:~~

~~(1) Ship off-site all the following treatment residuals derived from the cancelled and claimed CEWs to an initial destination authorized to receive and further treat or legally dispose of the treatment residual:~~

~~(A) Bare CRTs.~~

~~(B) CRT glass cullet.~~

~~1. CRT glass, CRT funnel glass, and CRT panel glass, as defined in Section 66273.9 of Chapter 23 of Title 22 of the California Code of Regulations, shall be accounted for separately, as applicable.~~

~~2. The shipped CRT glass cullet shall account for the amount derived from the cancelled and claimed CEW.~~

~~(2) For each claimed non-CRT-containing CEWs, the recycler shall record and report the manufacturer name, model number, and weight of each device prior to cancellation.~~

~~(A) If the non-CRT-containing CEWs contain a plasma display, records relating to quantity of the bare panel(s) and ultimate disposition shall be maintained pursuant to Section 18660.8 of this Chapter.~~

~~(B) If the non-CRT-containing CEWs contain cold cathode fluorescent lamps, records relating to quantity of the lamps and ultimate disposition shall be maintained pursuant to Section 18660.8 of this Chapter.~~

~~(C) Records maintained pursuant to (A) and (B) above shall be made available upon request by CalRecycle or its designee.~~

~~(3) Only those CEWs that have been processed and documented pursuant to the applicable requirements of subsections (c)(1) and (c)(2) of this section shall be claimed for payment.~~

~~(ed) An approved recycler or dual entity shall attach all of the following to the payment claim:~~

~~(1) For all CEWs received from collectors during the claim activity period that are cancelled and included in the current claim, a report that includes:~~

~~(A) A list of approved collectors from which the transfers of CEWs were accepted with the name and proof of approval identification number of each.~~

~~(B) The total weight of CEWs in all loads transferred from each approved collector. Note that this weight may not equal the weight claimed for recycling payment because recovery payments are made on the weight of all CEWs transferred while recycling payments are made on the weight of only those CEWs cancelled.~~

~~(C) Signed and dated receipts documenting all CEW transfers from approved collectors.~~

~~(D) A copy(ies) of the applicable records specified in Section 18660.21(l)(1)-(4) pertaining to the collection, transfer, and processing activities involving the CEWs cancelled and being claimed for payment.~~

~~1. Source documentation not associated with the claimed CEWs shall not be included in the report.~~

~~2. Transfer documentation not associated with the claimed CEWs shall not be included in the report.~~

~~(E) A sum of the estimated weight of source-anonymous CEWs as reported by and transferred from approved collectors.~~

(2) For all CEWs cancelled during the claim activity period and that are included in the current claim, a description of cancellation activities that includes:

(A) The type(s) of cancellation method used.

(B) The date(s) when cancellation occurred.

(C) The amount of CEWs processed ~~by dismantling~~ by date in pounds.

(D) The dates and destinations of all treatment residual shipments required prior to submitting a claim as specified in subsection (c) of this ~~s~~Section.

(3) For all CEWs received from collectors during the claim activity period that are not included in a prior claim and that are not cancelled, a description and quantification of those activities including but not limited to storage, repair, refurbishment, resale, reuse, transfer or export.

(ef) Prior to April 1, 2026, an approved recycler or dual entity shall deliver recycling payment claims to CalRecycle's main business office, to the attention of the Accounting Section. An approved recycler or dual entity shall mark the outside of the package containing the claims clearly with "Covered Electronic Waste Claim Enclosed." On or after April 1, 2026, all payment claims shall be sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7. The date of electronic submittal will be considered the date of receipt.

(fg) An approved recycler or dual entity shall submit timely recycling payment claims so that CalRecycle receives each claim within 45 days of the end of the reporting month, as specified by Sections 18660.24 ~~or~~ 18660.25, or 18660.26 of this Chapter. CalRecycle may return without payment any claim received more than 45 days after the end of the reporting month, as specified by Sections 18660.24, ~~or~~ 18660.25 or 18660.26 of this Chapter. Prior to April 1, 2026, CalRecycle shall determine a recycling payment claim's date of receipt as the date the recycling payment claim was physically received by CalRecycle. On or after April 1, 2026, CalRecycle shall determine a payment claim's date of receipt as the date the payment claim is deemed complete by CalRecycle pursuant to this Section. ~~submitted to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.~~

~~(g) CalRecycle may reject a claim if it fails to comply with the general requirements of this Section, or the additional requirements in the applicable provisions regarding cancellation methods in Sections 18660.24 or 18660.25 of this Chapter.~~

~~(h) CalRecycle's rejection of a recycling payment claim shall not extend any applicable due date or time period.~~

Section 18660.24. Additional Requirements for Recycling Payment Claims to Demonstrate Cancellation of CRTs or CRT-Containing CEWs Through Dismantling to a Bare CRT After Relieving the Vacuum.

(a) In addition to the general information required in Section 18660.22 of this Chapter, an approved recycler or dual entity shall include the information in this Section to claim recycling payments for ~~canceled~~cancelling CRT containing CEWs through dismantling to a bare CRT after relieving the vacuum as specified in Section 18660.32 of this Chapter.

(b) An approved recycler or dual entity shall base recycling payment claims on the weight of CRT-containing CEWs cancelled.

(c) An approved recycler or dual entity shall submit a recycling payment claim within 45 calendar days of the end of a reporting month.

(d) The reporting month for a recycling payment claim pursuant to this Section is the calendar month in which the approved recycler or dual entity first makes shipment(s) to an initial destination of bare CRTs or CRT glass cullet derived from the claimed CEWs.

(e) An approved recycler or dual entity shall calculate the payment and include the calculation in a recycling payment claim specific to ~~canceled~~cancelling CRT-containing CEWs through dismantling to a bare CRT as follows:

(1) The total weight of CRT-containing CEWs cancelled from which all treatment residuals specified pursuant to Section 18660.22(~~eb~~)(1) of this Chapter have been shipped off-site to an initial destination authorized to receive and further treat or legally dispose of those treatment residuals.

(2) The total payment claimed, calculated by multiplying the weight of CRT-containing CEWs specified in subsection (e)(1) of this Section by the Standard Statewide Combined Recovery and Recycling Payment Rate.

(3) If the amount in subsection (1) of this Section includes CEWs from outside California, CEWs without source documentation, or previously cancelled materials, then the recycler shall reduce the payment claim to reflect these corrections by adjusting the weights.

(f) An example calculation for ~~canceled~~cancelling CRT containing CEWs through dismantling to a bare CRT after relieving the vacuum is included for illustration purposes as follows:

<i>The weight of CRT-containing CEWs cancelled:</i>	<i>1000 pounds</i>
<i>Times the per pound Standard Statewide Combined Recovery and Recycling Payment Rate:</i>	<i>x \$1.13</i>
<i>Equals the payment claim for the reporting period:</i>	<i>= \$1130.00 Total Claim</i>

(g) An approved recycler or dual entity shall attach the following documentation for all shipments of bare CRTs or CRT glass cullet made during the claim activity period:

(1) Shipping reports to initial destinations, including the names of the shipping recycler and the receiving initial destination.

(2) The date of the shipment and the weight of the bare CRTs or CRT glass cullet.

(3) ~~Certified weights~~Weighmaster certificates documenting the weights of individual shipments of bare CRTs or CRT glass cullet.

(4) Verification of post cancellation disposition, including:

(A) For shipments by sea, the proof of transfer to an initial destination shall be the on-board bill of lading and an executed contract or other documentation from the intended recipient of the shipment.

(B) For other shipments, the proof of transfer to an initial destination shall include a receipt issued by the person receiving the shipment and any applicable bill of lading or manifest.

(C) For all shipments of bare CRTs or CRT glass cullet, information pertaining to the initial destination or the ultimate disposition of the material shipped:

1. All documentation necessary to demonstrate compliance with material handling and shipment requirements set forth in Chapters 12, 14, 15, 16, 18, 20, 22 and 23 of Division 4.5 of Title 22 of the California Code of Regulations shall be included in the claim.

2. CalRecycle may demand additional documentation as necessary from an approved recycler to determine compliance with material handling and shipment requirements set forth in Chapters 12, 14, 15, 16, 18, 20, 22, and 23 of Division 4.5 of Title 22 of the California Code of Regulations.

(h) In addition to the documentation required in subsection (g), an approved recycler or dual entity shall attach to the payment claim a description and quantification of the disposition of other treatment residuals derived from cancellation of the CRT-containing CEWs, including but not limited to metals, plastics, fibers and wood.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.

Section 18660.25. Additional Requirements for Recycling Payment Claims to Demonstrate Cancellation of Non-CRT-Containing CEWs.

(a) In addition to the general information required in Section 18660.22 of this Chapter, an approved recycler or dual entity shall include the information in this Section to claim recycling payments for ~~canceled~~ cancelling non-CRT-containing CEWs through dismantling to a bare panel as specified in Section 18660.32 of this Chapter.

(b) An approved recycler shall base recycling payment claims on the weight of the cancelled non-CRT-containing CEWs.

(c) An approved recycler or dual entity shall submit a recycling payment claim within 45 calendar days of the end of a reporting month.

(d) The reporting month for a recycling payment claim pursuant to this Section is the calendar month in which the approved recycler or dual entity first cancels any of the non-CRT CEW being claimed.

(e) An approved recycler or dual entity shall calculate the payment and include the calculation in a recycling payment claim specific to ~~canceled~~ cancelling non-CRT-containing CEWs through dismantling to a bare panel as follows:

(1) The total weight of cancelled non-CRT-containing CEWs for the reporting month for which records specified in Section 18660.22(e)(2) of this Chapter have been

established and maintained pursuant to Section 18660.8 of this Chapter. Note that non-CRT-containing CEWs commingled with other material are ineligible for recycling payment.

(2) The total payment claimed, calculated by multiplying the weight of non-CRT-containing CEWs specified in subsection (e)(1) of this Section by the Standard Statewide Combined Recovery and Recycling Payment Rate.

(3) If the amount in subsection (1) of this Section includes CEWs from outside California or previously cancelled materials, then the recycler shall reduce the payment claim to reflect these corrections by adjusting the weights.

(4) For each claimed non-CRT-containing CEWs, the recycler shall record and report the manufacturer name, model number, and the weight of each device prior to cancellation.

(f) An example calculation for ~~canceled~~cancelling non-CRT-containing CEWs through dismantling to a bare panel is included for illustration purposes as follows:

<i>The weight of non-CRT-containing CEWs cancelled:</i>	<i>1000 pounds</i>
<i>Times the per pound Standard Statewide Combined Recovery and Recycling Payment Rate:</i>	<i>x \$1.15</i>
<i>Equals the payment claim for the reporting period:</i>	<i>= \$1150.00 Total Claim</i>

(g) An approved recycler or dual entity shall attach the following documentation for all bare plasma panels and lamps derived from non-CRT-containing CEWs during the claim activity period:

(1) Shipping reports to initial destinations, including the names of the shipping recycler and the receiving initial destination.

(2) The accumulation start date(s) of the bare plasma panels or lamps shipped or stored.

(3) ~~Certified weights ticket~~Weighmaster certificates documenting the weights of individual shipments.

(4) Verification of post cancellation disposition, including:

(A) For shipments by sea, the proof of transfer to an initial destination shall be the on-board bill of lading or manifest, as applicable.

(B) For other shipments, the proof of transfer to an initial destination shall include a receipt issued by the person receiving the shipment and any applicable bill of lading or manifest.

(C) For all shipments of bare plasma panels and lamps derived from non-CRT-containing CEWs, a discussion of the ultimate disposition of the material shipped demonstrating that the disposition is compliant with applicable law and conforms with the approved recycler's conditions of authorization.

1. All documentation necessary to demonstrate compliance with material handling and shipment requirements set forth in Chapters 12, 14, 15, 16, 18, 20, 22, and 23 of Division 4.5 of Title 22 of the California Code of Regulations shall be included in the claim.

2. CalRecycle may demand additional documentation as necessary from an approved recycler to determine compliance with material handling and shipment requirements set forth in Chapters 12, 14, 15, 16, 18, 20, 22, and 23 of Division 4.5 of Title 22 of the California Code of Regulations.

(5) The quantities of treatment residuals recorded pursuant to section 18660.22(eb)(2)(A) and (B) shall be included in the claim.

(h) In addition to the documentation required in subsection (g), an approved recycler or dual entity shall attach to the payment claim a description and quantification of the disposition of other treatment residuals derived from cancellation of the non-CRT-containing CEWs, including but not limited to circuit boards, other video display panels, metals, plastics, and fibers.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.

Section 18660.26. Additional Requirements for Recycling Payment Claims to Demonstrate Cancellation of Battery-Embedded CEW.

(a) In addition to the general information required in Section 18660.22 of this Chapter, an approved recycler or dual entity shall include the information in this Section to claim recycling payments for cancelling battery-embedded CEW as specified in Section 18660.32 of this Chapter.

(b) An approved recycler or dual entity shall base recycling payment claims on the weight of the cancelled battery-embedded CEW.

(c) An approved recycler or dual entity shall submit a recycling payment claim within 45 calendar days of the end of a reporting month.

(d) The reporting month for a recycling payment claim pursuant to this Section is the calendar month in which the approved recycler or dual entity first cancels any of the battery-embedded CEW being claimed.

(e) An approved recycler or dual entity shall calculate the payment and include the calculation in a recycling payment claim specific to cancelling battery-embedded CEW by removing the battery as follows:

(1) The total weight of cancelled battery-embedded CEW for the reporting month. Note that battery-embedded CEW commingled with other material are ineligible for recycling payment.

(2) The total payment claimed, calculated by multiplying the weight of battery-embedded CEW specified in subsection (e)(1) of this Section by the Standard Statewide Combined Recovery and Recycling Payment Rate.

(3) If the amount in subsection (e)(1) of this Section includes CEW from outside California or previously cancelled materials, then the recycler shall reduce the payment claim to reflect these corrections by adjusting the weights.

(4) Prior to submitting a battery-embedded CEW recycling payment claim to CalRecycle, the recycler shall weigh and issue separate weighmaster certificates for each treatment residual derived from cancellation of battery-embedded CEW.

(f) For each battery chemistry type which is derived from cancellation of battery-embedded CEW during the claim activity period, an approved recycler or dual entity shall include the following documentation:

(1) Shipping reports to initial destinations, including the names of the shipping recycler and the receiving initial destination.

(2) The accumulation start date(s) of the batteries shipped or stored.

(3) Weighmaster certificates of individual shipments, including only batteries derived from the cancellation of battery-embedded CEW and not including any other commodities.

(4) Verification of post cancellation disposition, including:

(A) For shipments by sea, the proof of transfer to an initial destination shall be the on-board bill of lading or manifest, as applicable.

(B) For other shipments, the proof of transfer to an initial destination shall include a receipt issued by the person receiving the shipment and any applicable bill of lading or manifest.

(C) For all shipments of batteries derived from battery-embedded CEW, an explanation of the ultimate disposition of the material shipped demonstrating that the disposition is compliant with applicable law and conforms with the approved recycler's conditions of authorization.

1. All documentation must comply with all applicable DTSC laws and regulations, including demonstrating compliance with material handling and shipment requirements set forth in Division 4.5 of Title 22 of the California Code of Regulations.

2. CalRecycle may demand additional documentation as necessary from an approved recycler to determine compliance with material handling and shipment requirements set forth in Division 4.5 of Title 22 of the California Code of Regulations.

(5) The total weight for each battery chemistry type, and the total weight for all batteries, shall be included in the claim.

(hg) Excluding material in subsection (gf) of this Section, for each treatment residual derived from cancellation of battery-embedded CEW during the claim activity period, including but not limited to circuit boards, plastics, metals, glass, fibers, and any hazardous waste components, an approved recycler or dual entity shall attach to the payment claim:

(1) A description of the material flow; and

(2) The weighmaster certificate and the bill of lading or manifest for all shipments to the initial destination.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.

Section 18660.30. CalRecycle Review of Recycling Payment Claims.

(a) CalRecycle shall review a recycling payment claim and determine if a recycling payment is due pursuant to this Chapter. If CalRecycle has cause to investigate any aspect of a claim, the review may be extended until resolution of all issues aspects under investigation.

(b) CalRecycle may deny or adjust payment for any of the following reasons:

(1) CalRecycle determines that:

(A) The signature on the claim is not that of a person with Signature Authority for recycling payment claims as designated pursuant to Section 18660.11 of this Chapter.

(B) The recycler did not have current approval for the reporting period or the cancellation period in the claim.

(C) The approved recycler failed to meet the requirements in this Chapter or committed an activity prohibited in this Chapter.

(D) The payment claim contains a numerical discrepancy between values or calculations reported on the claim and CalRecycle verified values and calculations.

(E) The facility has not been inspected by DTSC within the past 12 months, as specified in Section 42479(b)(2)(A) of the Public Resources Code.

(F) The recycler is ineligible for payment pursuant to Section 42479(b)(1) of the Public Resources Code.

(G) The payment claim is deficient with regard to any of the following:

1. CEW source documentation

2. CEW transfer documentation

3. CEW processing documentation

4. Treatment residual disposition documentation

5. Any other documentation required as part of a payment claim as specified in Sections 18660.22 through 18660.256 of this Chapter.

(2) CalRecycle has prevailed against the claimant in a civil or administrative action and money is owed to CalRecycle as a result of the action.

(3) CalRecycle discovers, as part of an application review, claim review or an audit, significant inconsistencies or fraud.

(c) If CalRecycle adjusts or denies a payment claim based on deficiencies in documentation specified in subsection (b)(1)(G) of this section, an approved recycler shall not resubmit as part of a future claim that same documentation, or any revised form of that documentation, seeking payment for those CEWs for which payment had been denied.

(d) On or after April 1, 2026, CalRecycle shall perform a completeness review of all documents submitted as part of a recycling payment claim to determine whether it is complete or incomplete. For the purposes of this review, "complete" means all required information was submitted to CalRecycle in the form and manner prescribed by CalRecycle pursuant to this Chapter.

(e) A recycling payment claim shall be deemed incomplete and returned to a recycler or dual entity if CalRecycle determines that any required information is missing or deficiencies in required documentation are identified.

(f) Within 30 calendar days of the date the recycling payment claim is submitted to CalRecycle's electronic information submittal system pursuant to Section 18660.7, CalRecycle shall notify the recycler or dual entity regarding whether the recycling payment claim is complete or incomplete.

(g) If a recycling payment claim is deemed incomplete, CalRecycle shall notify the recycler or dual entity of the determination, and specify the reasons why it was deemed incomplete.

(1) The notice of incompleteness may be sent by CalRecycle as soon as a deficiency in the required information is identified.

(2) CalRecycle is not required to provide reasons for incompleteness that it has not yet identified.

(h) If CalRecycle returns a recycling payment claim and a recycler or dual entity resubmits the recycling payment claim with all deficiencies corrected, it shall be considered a new submission with CalRecycle's 90-day review period beginning on the date that CalRecycle deems the resubmitted recycling payment claim complete.

(i) If CalRecycle returns a recycling payment claim and a recycler or dual entity fails to correct all deficiencies, CalRecycle shall continue to deem the recycling payment claim incomplete.

(j) A recycling payment claim's "date of receipt" pursuant to section 42479(a)(1) of the Public Resources Code shall be the date it is deemed complete by CalRecycle in writing provided to the approved recycler or dual entity.

Authority cited: Sections 40502, 42475 and 42475.2, Public Resources Code. Reference: Sections 42475, 42476, 42477, 42478 and 42479, Public Resources Code.

Section 18660.31. Request for Reconsideration, Appeal of Denied or Adjusted Recycling Payment Claims.

(a) An approved recycler ~~shall~~ may request reconsideration of a denied or adjusted claim by submitting ~~submit an appeal~~ written request for reconsideration electronically in writing to ewasteclaims@calrecycle.ca.gov the CalRecycle main business office, to the attention of the Legal Office, within 30 calendar days of the date of the notice denying or adjusting the claim. The recycler shall ~~title~~ he electronic request clearly mark the outside of the package containing the appeal with: "Covered Electronic Waste Claim Appeal Enclosed".

(1) Any request for reconsideration received by CalRecycle after 30 days from the date of the claim denial or adjustment from CalRecycle shall be denied without reconsideration of the claim denial or adjustment and the claim denial or adjustment may not be appealed.

(2) An approved recycler shall include all of the following information in a request for reconsideration:

(a) The recycler's name and Proof of Approval identification number.

(b) The month(s) and year(s) of the recycling payment claim.

(c) A copy of the recycling payment claim and the notice denying the claim, or a copy of the remittance advice if a payment adjustment is being adjusted.

(d) An explanation, which may include providing supporting documentation, of why the adjustment or denial was in error.

(3) CalRecycle shall deny the request for reconsideration if a recycler fails to provide the information requested in subsection (2).

(4) CalRecycle shall have 30 calendar days from the electronic submission date of the request for reconsideration reconsider the claim adjustment or denial and shall notify the recycler of its determination. The recycler and CalRecycle may agree in writing to extend this timeline.

(b) If CalRecycle denies a request for reconsideration, or the recycler does not agree with CalRecycle's determination of its request for reconsideration, the recycler may appeal CalRecycle's claim adjustment or denial within 30 calendar days from the date of CalRecycle's determination of the request for reconsideration. Any appeal received by CalRecycle after 30 calendar days from the date of CalRecycle's determination of the request for reconsideration shall be denied without a hearing or consideration of the appeal.

(c) An approved recycler shall include all of the following information in a written appeal submitted electronically to CalRecycle at ewasteclaims@calrecycle.ca.gov:

(1) The recycler's name and Proof of Approval identification number, from its proof of approval.

(2) The month(s) and year(s) in question of the recycling payment claim.

(3) A copy of the recycling payment claim and the notice denying the claim, or a copy of the remittance advice if a payment adjustment is being appealed.

(4) An explanation, which may include providing supporting documentation, of why the adjustment or denial was in error.

(5) Any other documentation that supports the appeal.

(d) At any time during the proceeding after filing a claim appeal and, before a decision is issued, CalRecycle and the petitioner may engage in alternative dispute resolution, with the consent of the petitioner, may refer the matter to mediation, or binding or non-binding arbitration, consistent with the provisions of Government Code Section 11420.10.

(e) CalRecycle shall provide a hearing before the director, or his or her designee, who shall act as a hearing officer. The hearing officer shall consider the claim, the reasons for payment denial or payment adjustment, and any additional relevant information presented by the claimant or CalRecycle staff. The hearing officer shall issue a written decision stating the factual and legal basis for the decision.

(f) CalRecycle will notify the recycler of the determination in writing within 20 calendar days from the date of the decision.

(g) This appeal provided for in this Section is also governed by the general administrative adjudication provisions of the California Administrative Procedure Act, found at Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code, commencing with Section 11400. This appeal is not subject to the provisions of Chapter 5 of Part 1 of Division 3 of Title 2 of the Government Code, commencing with Section 11500.

**ARTICLE 2.4: Electronic Waste Payment System — Cancellation Methods,
Recovery Payment Rate, and Combined Recovery and Recycling Payment Rates**

Section 18660.32. Cancellation Methods.

(a) CalRecycle shall not pay recycling payment claims unless the cancellation method used meets the requirements of this Section.

(b) An approved recycler or dual entity shall not use or propose cancellation methods that are inconsistent with any DTSC requirements for handling or otherwise processing CEWs.

(c) An approved recycler or dual entity may use the following standard CEW cancellation methods that qualify for recycling payments as specified in the requirements of this Chapter:

(1) CRT or CRT-containing CEW cancellation through dismantling to a bare CRT after relieving the vacuum.

(2) Cancellation of non-CRT-containing CEWs through dismantling to a bare panel.

(3) Cancellation of battery-embedded CEW by removing the embedded battery in a manner that complies with Chapter 23 of Division 4.5 of Title 22 of the California Code of Regulations, including ensuring the casing of each individual battery cell is not breached and the casing remains intact and closed, and dismantling the CEW into specific material streams such as batteries, plastics, metals, glass, fibers, and any hazardous waste components, if applicable.

(A) Batteries shall be sorted by battery chemistry after they are removed from the CEW.

(B) Lithium batteries of all chemistry types shall be stored and handled in a manner that ensures individual battery terminals remain separated with terminal protection, such as non-conductive tape or individual bags.

(d) An approved recycler may submit proposals for alternative cancellation methods to CalRecycle for review on a case-by-case basis. CalRecycle, in consultation with DTSC, shall act within 90 calendar days to disapprove an alternative method, approve an alternative method for use only by the requesting recycler, or approve an alternative method for use by all recyclers.

(e) An approved recycler or dual entity shall not claim, and CalRecycle shall not pay, recycling payments for CEWs “cancelled” with an alternative method unless CalRecycle has previously approved the alternative method. CalRecycle shall deny payment on any CEWs “cancelled” with an alternative method prior to CalRecycle approval.

(f) Reuse of either an intact CEW or of a partially disassembled CEW, such as a CRT with an attached yoke, is not cancellation and is not eligible for recycling payments.

Section 18660.34. Standard Statewide Combined Recovery and Recycling Payment Rates.

- (a) CalRecycle shall pay an approved recycler or dual entity the Standard Statewide Combined Recovery and Recycling Payment Rates for the weight of CRT, ~~and non-CRT,~~ and battery-embedded CEW cancelled and claimed pursuant to the requirements of this Chapter, which includes a component for recovery costs and a component for recycling costs.
- (b) Beginning July 1, 2024~~5~~, the Standard Statewide Combined Recovery and Recycling Payment Rates are:
- (1) \$1.13 per pound for CRT CEW.
 - (2) \$1.15 per pound for non-CRT CEW.
 - (3) \$0.75 per pound for battery-embedded CEW.
- (c) CalRecycle shall review the Standard Statewide Combined Recovery and Recycling Payment Rates at a public meeting and establish the rates pursuant to Sections 42477 and 42478 of the Public Resources Code.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.

ARTICLE 2.5: Electronic Waste Payment System — Manufacturer Payments

Section 18660.36. Requirements for a Registered Manufacturer.

- (a) Upon registration with CalRecycle, a registered manufacturer may claim manufacturer payments for those CEWs received by the manufacturer's take back program after the effective date of registration and processed for recycling as specified in Section 18660.6(i)(3) of this Chapter.
- (b) A registered manufacturer shall determine if CEWs received by the manufacturer's take back program and processed for recycling are from California sources or from non-California sources and shall keep track of those materials separately.
- (c) A registered manufacturer shall not request payment for non-California CEWs.
- (d) A registered manufacturer shall not request payment for previously cancelled CEWs.
- (e) A registered manufacturer shall ensure that any CEW on which the manufacturer has claimed manufacturer payment does not enter the recovery and recycling payment system.
- (f) The recycling operation used by a registered manufacturer shall operate in accordance with all Federal, State and local laws and regulations.
- (g) In addition to the general record keeping requirements in Section 18660.8 of this Chapter, a registered manufacturer shall obtain and maintain the following records:
- (1) A written description of the take back program, including the type of consumers from whom CEWs are accepted for take back.

- (2) A record of the number of CEWs collected by Product Category, ~~as defined in Section 18660.5(a)(32) of this Chapter.~~
- (3) Records of transfers by load to the recycling operation used by the registered manufacturer, including signed and dated receipts showing the weight and number of CEWs transferred.
- (4) Written description of any activity, such as packaging and consolidation, which explains any discrepancy between the CEWs received through the take back program and the CEWs transferred to the recycling operation used by the manufacturer.
- (5) Records showing any CEWs received through the take back program that are reused, repaired, refurbished or otherwise returned to use.
- (6) Records showing any CEWs received through the take back program that are transferred to another entity without being processed for recycling.
- (7) Records showing the processing for recycling of CEWs by number, screen size, weight, date and recycling method that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result.
- (8) Complete records of all claims, attachments and supporting documentation for all recycling payment claims made to CalRecycle.
- (h) A registered manufacturer shall measure, record and report weights in pounds. A registered manufacturer shall weigh CEWs and treatment residuals on a scale or other device approved, tested and sealed in accordance with Division 5 of the Business and Professions Code (Weights and Measures) or in accordance with comparable standards of the state in which the registered manufacturer is located.

Authority cited: Sections 40502, 42475 and 42475.2, Public Resources Code. Reference: Sections 42475, 42476 and 42479, Public Resources Code.

Section 18660.37. Manufacturer Payment Claims.

- (a) A registered manufacturer shall base a manufacturer payment claim on the number of CEWs processed for recycling by screen size(s) as listed in Section 42464(a) of the Public Resources Code.
- (b) A registered manufacturer shall submit all of the following general information in a claim for manufacturer payments from CalRecycle:
 - (1) The full name, mailing address, registration number, and federal tax identification number of the registered manufacturer preparing the claim.
 - (2) The name and phone number of a contact person for purposes of the claim.
 - (3) The period of time covered by the claim and date of preparation of the claim.
 - (4) The number of CEW devices claimed:
 - (A) In each Product Category ~~as defined in Section 18660.5(a)(32).~~
 - (B) By screen size as listed in Section 42464(a) of the Public Resources Code.
 - (5) The total monetary amount being claimed, as calculated in subsection (f) of this Section.
 - (6) The Signature and title of a person with Signatory Authority for payment claims as designated pursuant to Section 18660.35(b)(6) or (7) of this Article. The signature block shall include the following certification statements:

(A) "I hereby declare under penalty of perjury that:"

1. "All claimed CEWs were received from California sources through the manufacture take back program described in the manufacturer registration."

2. "All claimed CEWs have been processed for recycling in a manner that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result."

3. "No claimed CEWs were transferred into the recovery and recycling payment system."

4. "I have certified the number of devices and verified the calculations."

5. "This payment claim, including any and all accompanying documents, has been examined by me and is true, correct and complete."

6. "I understand that errors or omissions on my part may result in ~~Cal-Recycle~~CalRecycle delaying or denying payment"

7. "I further understand that fraud could result in revocation of the manufacturer registration."

(7) The date and place the claim was signed.

(c) A registered manufacturer shall submit no more than one payment claim per calendar month.

(d) The claim period for a manufacturer payment claim pursuant to this Section is the time period within which processing occurs and may not exceed three (3) months.

(e) A registered manufacturer shall attach all of the following to the payment claim:

(1) A written description of take back program that collected the CEWs for which payment is being claimed, including the type of consumers from whom CEWs were accepted, and a record of the number of CEWs collected by Product Category, ~~as defined in Section 18660.5(a)(32) of this Chapter.~~

(2) Records of transfers by load to the registered manufacturer's recycling operation, including signed and dated receipts showing the weight and number of CEWs transferred.

(3) Written description of any activity, such as packaging and consolidation, which explains any discrepancy between the CEWs received through the take back program and the CEWs transferred to the manufacturer's recycling operation.

(4) Records showing any CEWs received through the take back program that are reused, repaired, refurbished or otherwise returned to use by a California Source.

(5) Records showing any CEWs received through the take back program that are transferred to another entity without being processed for recycling.

(6) Records showing the processing for recycling of CEWs by number, screen size, weight, date and recycling method that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result.

(f) A registered manufacturer shall calculate the payment and include the calculation in a manufacturer payment claim as follows:

(1) The total number of CEWs, by screen size as specified in Section 42464(a) of the Public Resources Code, that are processed for recycling during the claim period.

(2) The total payment claimed, calculated by:

(A) Multiplying the number of CEWs in each screen size category by the value of the covered electronic waste recycling fee that applies to that category.

(B) Adding the calculations in (A) above for each screen size category calculation together.

(g) An example calculation for a manufacturer claim is included for illustration purposes as follows:

The number CEWs processed for recycling by screen size:

<i>100 devices with less than 15 inch screen size</i>	<i>100 devices</i>	
<i>Times the covered electronic waste recycling fee for category</i>	<i>x \$4.00</i>	
<i>200 devices greater than or equal to 15 inch screen size but less than 35 inch screen size</i>	<i>200 devices</i>	
<i>Times the covered electronic waste recycling fee for category</i>	<i>x \$5.00</i>	
	<i>\$1000.00</i>	

Equals the payment claim for the claim period:(\$400.00+\$1000.00)=\$1400.00 Total Claim

(h) Prior to April 1, 2026, a registered manufacturer shall deliver manufacturer payment claims to CalRecycle's main business office, to the attention of the Accounting Section. A registered manufacturer shall mark the outside of the package containing the claims clearly with "Electronic Manufacturer Claim Enclosed." On or after April 1, 2026, all payment claims shall be sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7. The date of electronic submittal will be considered the date of receipt.

(i) A registered manufacturer shall submit timely manufacturer payment claims so that CalRecycle receives each claim within 45 days of the end of the claim period. CalRecycle may return without payment any claim received more than 45 days after the end of the claim period. Prior to April 1, 2026, CalRecycle shall determine a payment claim's date of receipt as the date the payment claim was physically received by CalRecycle.. On or after April 1, 2026, CalRecycle shall determine a payment claim's date of receipt as the date the payment claim is submitted to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(j) CalRecycle may reject a claim if it fails to comply with the requirements of this Section.

(k) CalRecycle's rejection of a manufacturer payment claim shall not extend any applicable due date or time period.

ARTICLE 3: Manufacturer Reporting

Section 18660.41. Reporting Requirements.

Each manufacturer as defined by Section 42463(q) of the Public Resources Code shall submit an annual report to CalRecycle on or before July 1, 2005, and annually thereafter, for the period of the previous calendar year. Each manufacturer shall report information by brand name of covered electronic devices sold in the state.

(a) The report shall include the following:

(1) Name and address of the manufacturer; and name, address, phone number, and email address for a contact person of the manufacturer.

(2) The information elements, as described in Section 42465.2 of the Public Resources Code and specified in Sections 18660.41(b) through (f), below.

(b) The sales reporting shall include:

(1) Data on the number of covered electronic devices sold in the state by Product Category.

(2) An explanation of the methodology used to estimate data.

(c) The materials reporting shall include:

(1) An estimated average amount in milligrams for mercury, cadmium, lead, hexavalent chromium, including their alloys and compounds, and PBBs used in covered electronic devices, and all their component parts by Product Category.

(2) Estimates may be based on either physical testing or maximum tolerance levels of the material in product design specifications.

(3) An explanation of the methodology used to estimate data.

(d) Recycled content reporting shall include:

(1) Estimates on the amount in tons of recycled content materials (e.g., plastics, glass, and metals) contained in covered electronic devices;

(2) The increase from the previous year in the use of recycled content materials; and

(3) An explanation of the methodology used to estimate recycled content.

(e) Design for recycling reporting shall include:

(1) Information on current activities and future plans related to the design of covered electronic devices, including but not limited to, the following:

(A) Ease of disassembly of covered electronic devices;

(B) Identification of resin types; and

(C) Improved materials efficiency through reduction in hazardous materials use or other approaches.

(f) List of retailers noticed pursuant to Section 42465.2(a)(1)(E) of the Public Resources Code shall include:

(1) The contact information used by the manufacturer to perform the notice, such as the name, address, contact person, phone number and email address of the retailer to which the notice was made.

(2) The list of covered products contained in the notice.

(g) Prior to April 1, 2026, the notice sent to CalRecycle pursuant to Section 42466.2(b) of the Public Resources Code shall be sent electronically through email to CEDmanufacturers@calrecycle.ca.gov. On or after April 1, 2026, this notice shall be

sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(h) Manufacturers shall individually submit to CalRecycle samples of the consumer information and description of all methods used to comply with Section 18660.42 of this Chapter. Manufacturers shall submit this information at the same time they comply with Section 18660.41(a) through (e), above.

(i) Each manufacturer shall maintain the report and all supporting documentation for three years after the report is submitted. If CalRecycle or DTSC requests a copy of the supporting documentation, the manufacturer shall submit the supporting documentation within 10 days of the request.

(j) Each manufacturer shall provide a certification under penalty of perjury that the information is true and correct.

(k) Collective reporting -- Compliance with the reporting required in Sections 18660.41(b) through (f), above, is the individual responsibility of each manufacturer. A manufacturer may comply with the reporting requirements in subsections (b) and (c), above, by submitting a collective report for the subsections containing sales and materials information, if the following conditions are met:

(1) A collective report must contain all of the information required in Sections 18660.41(b) and (c), above, but may combine the information for those manufacturers submitting information for the collective report;

(2) The collective report shall contain a list of all manufacturers whose reports are included in the collective report. This list shall include the name of the manufacturer and address of the manufacturer; and name, address, phone number, and email address for a contact person of the manufacturer;

(3) Each manufacturer shall provide a certification under penalty of perjury that the information provided for the collective report is true and correct; and

(4) Notwithstanding ~~Section 18660.41(j)(1) through (3)~~, subsection(k)(1) through (3) above, CalRecycle may request, on a case-by-case basis, a manufacturer to submit an individual report with the information required in Sections 18660.41(b) and (c), above, and all supporting documentation of the information contained in the report. In response to CalRecycle's request, the manufacturer shall submit an individual report and supporting documentation within ten days of receiving CalRecycle's request.

(l) Prior to April 1, 2026, all reports pursuant to this Section, including the report submitted to CalRecycle pursuant to Section 42467 of the Public Resources Code, shall be sent electronically through email to CEDmanufacturers@calrecycle.ca.gov. On or after April 1, 2026, manufacturer reports shall be sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(m) Each manufacturer of a covered battery-embedded product shall submit an annual report to CalRecycle on or before July 1, 2027, and annually thereafter, for the period of the previous calendar year. Each manufacturer shall report information by brand name of covered battery-embedded products sold in the state. The report, which shall be submitted electronically pursuant to Section 18660.7 of this Chapter, shall include the following:

(1) Name and address of the covered battery-embedded product manufacturer; and name, address, phone number, and email address for a contact person of the manufacturer. The information supplied pursuant to this subsection shall be non-confidential and non-proprietary information.

(2) The information elements, as described in Section 42467 of the Public Resources Code.

(3) A detailed description and examples, such as in the form of images or copies of screenshots from the manufacturer's website, of the information the covered battery-embedded product manufacturer has provided to consumers that describes where and how to return, recycle, and dispose of the covered battery-embedded product, and opportunities and locations for the collection or return of the device, through the use of a toll-free telephone number, internet website, information labeled on the device, information included in the packaging, or information accompanying the sale of the covered battery-embedded product.

(n) Any information and documentation submitted to CalRecycle pursuant to this Section that is proprietary in nature, confidential, or a trade secret shall be, at the time of submission to CalRecycle, identified and marked by the manufacturer proposing as such. Any markings made by a manufacturer shall not be conclusive as to whether that information or documentation is exempt from public disclosure pursuant to the California Public Records Act, as specified in Government Code section 7920.000 et. seq.

ARTICLE 7: Designated Approved Collectors

Section 18660.49. Proof of Designation.

(a) A Local Government may establish a Designation if:

(1) The Local Government transmits a Proof of Designation to CalRecycle that meets all of the requirements of this Section;

(2) CalRecycle receives the transmitted Proof of Designation at least 30 calendar days in advance of any CEW collection activity conducted by the Designated Approved Collector pursuant to the Designation; and

(3) CalRecycle contacts the Local Government and the Designated Approved Collector, in writing, to confirm that CEW collection activities can begin under the Designation.

(b) The Proof of Designation, ~~as defined in Section 18660.5(a)(34),~~ shall establish the scope of the Designation and include the following information:

(1) The name of the Designated Approved Collector and its associated CEW identification number.

(2) The beginning and end dates of the Designation:

(A) The beginning date is the first day any CEW collection activities may occur.

(B) The beginning date must be a minimum of 30 calendar days after CalRecycle receives the Proof of Designation from the Local Government.

(C) CalRecycle may modify the beginning date to ensure that the beginning date is at least 30 calendar days from transmittal of the Proof of Designation.

(D) Neither CalRecycle nor the Local Government shall modify the end date.

(3) The location(s) where the collection activities may occur on behalf of the Local Government. This includes:

(A) The geographic area within the Local Government's jurisdictional boundaries where the Designated Collector may provide CEW collection services; and

(B) Any specific sites and addresses at which permanent drop-off services will be provided.

(4) The method and description of CEW collection activities to be provided by the Designated Approved Collector (e.g., permanent drop-off, curbside service, illegal disposal clean-up, or temporary special events).

(5) Contact information for the Local Government designating authority that includes name, title, phone number, email address, and mailing address. The designating authority contact shall be a representative of the Local Government that is duly authorized and empowered to execute agreements or contracts related to waste management on behalf of the Local Government.

(6) A certification signed and dated by the designating authority of the Local Government stating the following:

(A) The designating authority is authorized to execute agreements or contracts related to waste management on behalf of the Local Government;

(B) The designating authority has read and understands all applicable laws and regulations governing the Electronic Waste Recovery and Recycling Program;

(C) The designating authority agrees that the Local Government shall operate in compliance with those applicable laws and regulations; and

(D) The designating authority certifies that the Proof of Designation contains true and correct information to the best of the designating authority's knowledge.

(7) Contact information for the Local Government person responsible for the management of the Designation, if different from the designating authority, that includes name, title, phone number, email address, and mailing address.

(8) Contact information for the Designated Approved Collector that includes name, title, phone number, email address, and mailing address.

(9) A certification statement signed and dated by a representative of the Designated Approved Collector stating the following:

(A) The representative is an Authorized Signatory listed in the application for approval pursuant to Section 18660.11(b)(7) of this Chapter; and

(B) The Designated Approved Collector agrees to operate in compliance with the requirements of the Electronic Waste Recovery and Recycling Program and all applicable laws and regulations.

(c) The Local Government shall transmit, pursuant to subsection (a), a copy of the Proof of Designation to CalRecycle either by electronic mail or by mail to:

CALRECYCLE
ATTENTION: ELECTRONIC WASTE RECYCLING PROGRAM, DESIGNATION
PROCESSING, MS #9

1001 I STREET, P.O. BOX 4025
SACRAMENTO, CA 95812-4025
ewastedesignations@calrecycle.ca.gov

(d) Within 10 calendar days of receipt of the Proof of Designation, pursuant to subsection (a)(2), CalRecycle shall either: (1) notify the Local Government, in writing, that a Proof of Designation is complete and correct; or (2) notify the Local Government, in writing, and provide a list of the missing and/or incorrect information in the Proof of Designation. The Local Government shall have 20 calendar days after CalRecycle's notification, to provide missing information and/or make corrections. Failure to timely provide missing information and/or make corrections may result in termination of a Designation, pursuant to subsection 18660.50(b).

(e) A Designation is considered valid only when the requirements in subsections (a), (b), and (c) of this section have been met.

(f) A Designated Approved Collector shall notify the Local Government and CalRecycle, in writing, at least 30 calendar days prior to a change taking effect or within 10 calendar days after an unforeseen change regarding any changes in:

(1) The Designated Approved Collector's contact information or operational status identified pursuant to subsection (b)(8); or

(2) The name of the organization under which the Designated Approved Collector is operating, pursuant to subsection (b)(1).

(g) A Local Government shall immediately notify CalRecycle, in writing, of any changes in a Designation regarding representatives identified pursuant to subsections (b)(5), (b)(6), (b)(7), or (b)(9) of this Section.

(h) Prior to the end date of a Designation, the designating authority of the Local Government may amend the Designation to modify the scope established pursuant to subsections (b)(3) or (b)(4) of this Section.

(1) The Local Government shall immediately notify CalRecycle and the Designated Approved Collector, in writing, of any changes in scope enacted pursuant to this subsection.

(2) The Designated Approved Collector shall not act on any changes in the scope of a Designation prior to the notifications required in subsection (h)(1) of this Section.

(3) The Designated Approved Collector shall provide a copy of the change-of-scope notification that the Local Government provided CalRecycle, pursuant to subsection (h)(1) of this Section, to another approved collector or approved recycler at the time the Designated Approved Collector transfers CEW to another approved collector or approved recycler.
